

2nd Annual Summer Braai a wonderful success.

Family and friends of Aubergine would like to thank everyone who came out to enjoy our 2nd Annual Summer Braai in Gyro Park.

The tug-of-war, potato sack races, and touch rugby were the perfect compliment to some fantastic work on the braai.

Thanks to everyone for making our South African Day so wonderful!

We offer freshly roasted coffee. Served with a smile.

We have one of the largest selections of South African products in Victoria.

Introducing Functional Art by Carrol Boyes.

Aubergine Foods is proud to announce that we have become an official reseller for Carrol Boyes products.

The Carrol Boyes Collection comprises a dynamic range of 2,000 exclusive life-style products - unusual cutlery, flatware, tableware, gift items, homeware and furniture. Her trademark materials include a fusion of pewter, aluminum, stainless steel in combination with wood and leather.

Lead free pewter is crafted into aesthetically pleasing functional art for everyday use. Her timeless eclectic pieces are limited editions and have proven popular with collectors worldwide.

The high grade Carrol Boyes 18/10 stainless steel product range is dishwasher safe and enables you to enjoy a contemporary design every day.

Light and durable aluminum provides a beautiful alternative to stainless steel and pewter when looking at larger items such as bowls and sculptural vases.

Carrol Boyes functional art is perfect for that special someone or simply for you to enjoy every day. Drop by and ask to view our latest catalogue.

Fresh local produce. Every day.
